**Subject:** highway 93

To commissioners Jim Rokosch, Carlotta Grandstaff, Kathleen Driscoll, Alan Thompson, and Greg Chilcott

If the Wal-Mart Corporation is exploring alternative sites for a Bitterroot mega store then we support and encourage you, the commissioners, to immediately start the process to enact emergency or interim zoning on Highway 93 to suspend all large scale development (mostly commercial) until all other zoning has been completed.

Signed  
Michael and Nan Jorgensen  
Corvallis
